WHAT'S ON IN
2012

City & 
Guilds
Approved Centre

who are we.....

Hello and thank you so much for taking the time to download our What's On pdf for 2012.

We will do our very best to give you all the information you need over the next few pages. First we'll tell you a little about us and what we do and then move onto the listings:

We are the largest distance learning provider in textile related subjects in the UK and have been supporting students undertaking textile and City & Guilds courses for the last 11 years.

Situated in the Lancashire countryside in two converted barns, one of which houses Eccles Farm Needlecraft Centre which has workshops and a shop, the other is the School of Stitched Textiles which deals solely with the delivery of distance learning.

During the time that we have been supporting students on our courses and producing our own distance learning materials we have found that students like to interact with their tutors and also with other students on the same course. Sometimes they like to do something other than their course work!

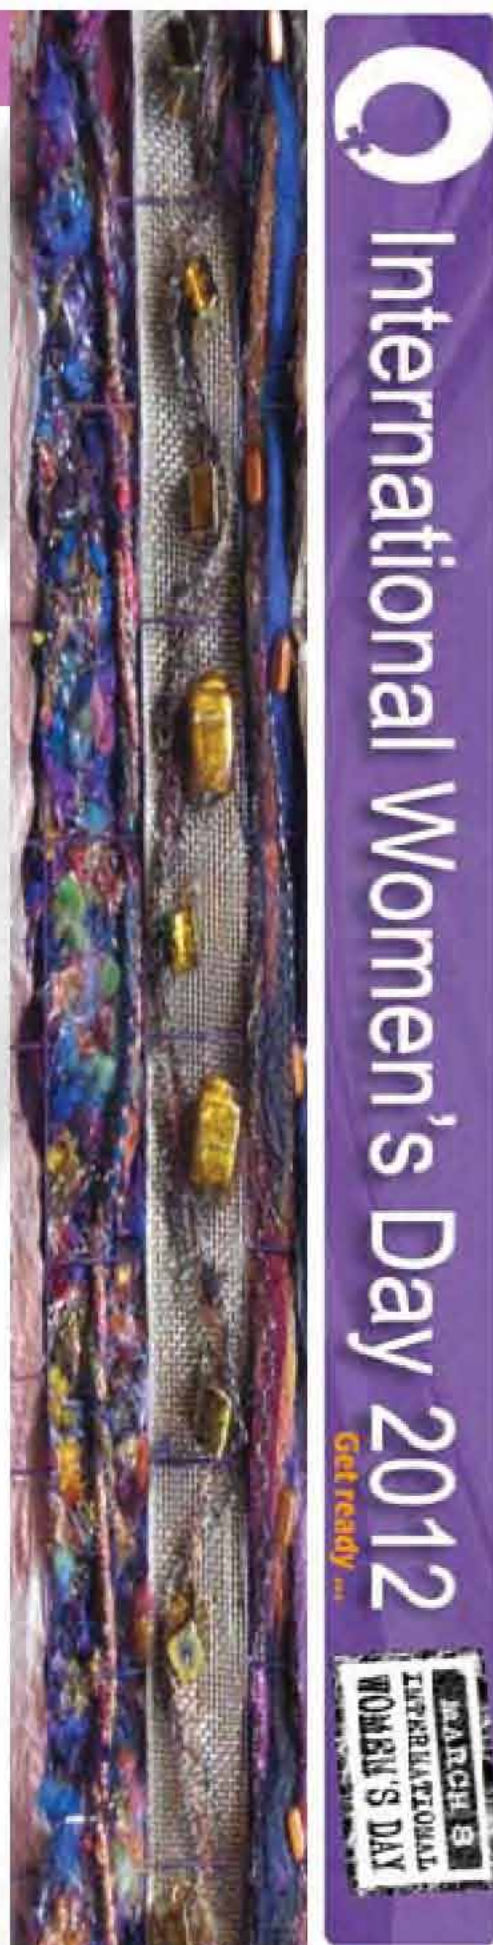

We have therefore produced this brochure to let you have a look at what we have planned both at SST and also online and to invite you to join in with the fun.

If you have any further questions we'd be delighted to answer them, so please contact us either by phone or email.

Best Wishes

The Office Team and Tutors

The School of Stitched Textiles (SST) Ltd
